Office Memorandum • UNITED STATES GOVERNMENT

TO : C/Plans and Policy Staff

FROM : C/Junior Officer Training Program

SUBJECT: Weekly Activity Report #13
23-29 March 1955

DATE: 31 March 1955

A. SIGNIFICANT ITEMS

held (pending outcome or mtg with D/Pa)

1. In a memorandum to the Director of Training dated 21 March 1955, the Director of Personnel has interpreted his memorandum of 9 December 1954 entitled "Creditability of Military Service for Promotions, Retirement, and Career Staff Membership" to mean, as I understand it, that the basis for determining the grade at which JOT/OCS officers will resume civilian employment, as it will apply in the future, cannot be made applicable for a considerable number of those who have been in the Program for some time. It is hoped that some solution to this problem can be arrived at, and I have asked for discussion with appropriate officers in the Office of Personnel to resolve the problem. If, however, no suitable solution can be arrived at, one of two alternatives will be forced upon us:

a. The officer may resign because we will not be able to carry out our agreement with him, or

b. We will bring him in at a higher grade than was previously agreed upon and which will be out of line with future procedures. It will also have the disadvantage of not being equivalent treatment to that which we give the regular JOT's or which we will give future OCS officers.

B. NORMAL ACTIVITIES

1. Meetings have been held with the following officials on the subjects indicated: [redacted] /STD (change in overseas program); [redacted] SRB (field testing program); [redacted] OPers (JOT and JCD matters); [redacted] /SR (JOT [redacted] SR-3 [redacted] [redacted] FE [redacted] (JOT [redacted] EE [redacted] (JOT [redacted] [redacted] WE [redacted] (JOT [redacted] FE [redacted] (JOT [redacted]
